WAY FOR THE CONGRESS.

The time of the Fall Councils is drawing near, when several hundred of our comrades will meet in Council at Toronto. These Councils, which are a source of great inspiration and encouragement. Our comrades in the small towns and Corps see something of the field that the Salvation Army has on the cities of larger growth, and are made to feel that they are partners in a great concern. Then the meetings with comrades and acquaintances and the interchange of experience is also stimulating, but above all the spiritual influence of the Congresses are to be relied upon as the principal means of fitting Salvation Army Officers for their work. Therefore we ask that all our comrades and friends will not fail to bring the Thirtieth Annual Congress before the Throne of Grace for His ever-sent blessings upon the comrades who they shall gather together.

It was when the disciples of old were met together in an upper room at Jerusalem that the Power came, and there are some things about that conference upon the Day of Pentecost, that the comrades who are privileged to meet in Council will do well to remember. To begin with, they were assembled with one accord. They had one object in view and that was to extend the Gospel of their risen Lord. This is precisely the avowed purpose of the Salvationists. Let us then assemble ourselves together and be at one mind in our desire to see the Kingdom of God extended. And it was when they all agreed that the descent of the Holy Ghost came upon them. We shall have a "council" from our comrades and friends, and we shall provide the human side, but the descent of the Holy Ghost will be brought about by Faith and Love. Thus for service in the Kingdom of the Holy Ghost. Let everyone then pray and prepare their hearts for the coming Congress.

THE CHIEF SECRETARY, ACCOMPANIED BY THE FIELD SECRETARY, CONDUCTS GREAT FAREWELL MEETINGS IN THE FAR WEST—COLONEL GASKIN JOINS THE CHIEF SECRETARY AT MOOSEJAW—BRIGADIER BURDITT ALSO ASSISTS AT VANCOUVER AND CALGARY—CROWDED BUILDINGS—SCORES OF SETTELS—COMMISSIONER'S MESSAGES RECEIVED WITH PLEASURE.

(By wire.)
Winnipeg, Mon., Sept. 6.
Colonel and Mrs. Mapp's farewell meetings in this city exceeded our most sanguine expectations. A powerful Soldiers' Council was conducted by the Colonel on Saturday night. Sunday morning's business meeting reached high-water mark. The Empress Theatre was engaged for the afternoon and night gatherings. The building was packed from floor to ceiling, and hundreds were turned away. Col.

It seemed to be an exceedingly long journey from Toronto to Vancouver. A freight wreck and other minor happenings caused us to

over the meeting. We have seldom if ever heard the Chief Secretary to better advantage. He spoke as "This saith the Lord." There were more flesh-and-blood feelings.

How has the Harvest Festival come out at your Corps? Do not fail to go over it and glorify.

arrive at the Coast City many hours late. However, the smiling faces of Brigadier Green, Major Phillips, and other Officers, and the very warm reception tendered as made us soon forget our weariness and trying journey.

Although it was a pouring wet night, and the city forces were not united, still the No. 1 Citadel was just on filled with soldiers and adherents. Brigadier Green and Major Phillips, on behalf of the Field and Social Work, respectively, welcome the Colonel and his aides. Lieut. Colonel Pugh and Brigadier Burditt also spoke, after which the Chief Secretary gave a heart-to-heart talk. God was wonderfully present. A number came forward for cleansing and healing. This meeting had whetted our appetites for the meetings to follow.

Sunday Morning.
And the Citadel was filled, and again the Holy Spirit brood.

PERSONALITIES.

The Commissioner is going to Hamilton on Friday to formally re-open the Metropole which has been renovated and enlarged. Lieut. Colonel Russ will accompany our Leader. The engagements include a comfortable room in which meetings for the men will be held.

The Commissioner's meeting at Riverdale with the Officers of the Toronto Division was most successful. About fifty Officers, including the D. C.'s and some of the departmental heads of T.H.Q., were present. After tea, which Mrs. Colonel Chandler arranged, the Commissioner addressed the Officers on the coming Congress.

We are pleased to announce that the Commissioner has decided to appoint Major George Phillips, who has had charge of the Moss Social Work in Vancouver for some time, to the men's wing of the Training College, Toronto, under Brigadier Taylor. The Major, who has rendered long and valuable service as an Officer, will, we are sure, have the good wishes and prayers of all his comrades as he takes up this new and important appointment.

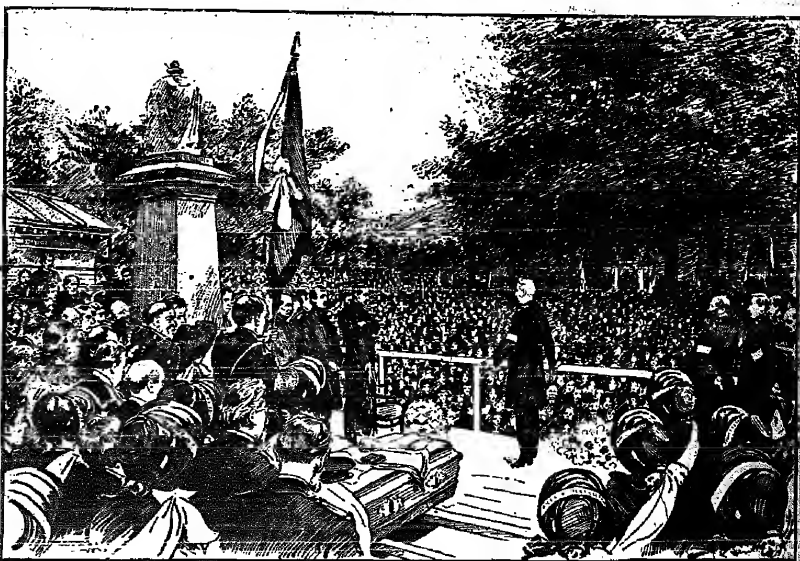

Our old friend Colonel Jacobs was in Toronto during the week, on his return journey from Vancouver to the Old Country. The Colonel, who we are glad to learn looks somewhat better as a result of his two trips across the Atlantic, is sailing for the homeland on the Virginian on Sept. 27.

Lieut. Colonel Marshall, commander of the Northern Province, B. S. A., an old and well-known Canadian Officer, was a visitor to Headquarters during the week. The Colonel has done twenty-seven years' service as an Officer, ten of which he spent in Canada, where his home is. It is five years since he last crossed the line, and his old comrades at the High were more than pleased to see him. The Colonel also called at the Editorial office, and said some fine things about the Special Memorial Number of the War Cry. Good for Canada!

The marriage of Captain Elrick and Pallin took place at Barrie on September 10th. Brigadier Adby performed the ceremony. Next week we hope to give particulars and photographs of our comrades, also an account of the wedding.

Mrs. Brigadier Burditt, who conducted a party of immigrants to Vancouver, has returned to Toronto. For several days, the Brigadier is still at the Pacific Coast, where he met Colonel Lamb on his return from China. The Colonel, we now learn, will not come to Toronto as was hoped, having received instructions from International Headquarters to return by another route.

Major Richard Wiseman, of the Property Department, New York, has been able to return to his quarters a few days ago. The Major, who has twelve years' service in Canada to his credit, has been in the U. S. A. in an old Headquarters "day." We were glad to shake his hand once more.

THE GREAT MASSEY HALL MEETINGS IN CONNECTION WITH THE FALL COUNCILS. READ THIS FORECAST.

THE mails from the Old Country have weekly been bringing in their supplies of photographic records concerning the death and burial of our first General, so that we now have a magnificent collection from which the slides will be made for the Memorial meeting in connection with the Fall Councils.

These with the cinematograph films will make one of the most impressive and interesting—perhaps the most interesting—picture services the Salvation Army has ever had in this country, and that is saying a great deal. There will be possibly a hundred still pictures, also a cinematograph film that will show the entire procession, with the vast audiences. This event all the newspapers agree in stating to be one of the most impressive sights the Imperial City of London has ever witnessed.

The foregoing, together with the portraits of Canadian and other glorified comrades with their last words, will be shown on Sunday afternoon at a meeting which will manifest the free spirit of Christianity concerning the death of the saints.

The decorations will be in keeping with this sentiment. No

funeral trappings of woe will find a place in that hall. In brief, the scheme will be this: The huge wall space at the back of the platform will be divided by the symbols of mourning adopted by The Army (that is the white ribbon with the red S and the black arm band with the red cross and cross) into five panels. The centre panel will be the white sheet on which will be thrown the faint pictures. In the adjoining panels on each side will be placed a massive purple maltese cross edged with white. In the centre of which will be fixed huge and striking portraits of the late General and Mrs. Booth, man and wife, on wide gold mounts, to which will be fastened palm branches kept in position by purple and white ribbons.

In the panels on the east and west sides will be chosen bars of purple and white. On the east side the bars will support a huge scroll containing the title "The Roll of Our Dead." It will also show the names of some of the most prominent Officers who have died in the fight. The first of course, will be that of The General. On the west side will be a shield, with crossed swords, the former bearing the words "For them the conflict is over." Surmounting this will be a long streamer telling all present that

the service is "In Honour of the Army's Victorious Dead!" Then festoons of purple and white will frame the panels, the whole being surmounted by a great golden crown.

The Band will occupy the centre of the platform, the two wings being occupied by masses of flags of all nations borne by comrades. In front of them will sit two groups of girls in white. They will form the white-robed choir. Around the front edge of the platform will be a deep band of green bayson brightly edged on which will be letters of gold spelling out the words "Promoted to Glory." When the hall is in darkness these letters will blaze into light. The whole scene will be one of great beauty and instructive symbolism.

Colonel Bullard is an Officer who has had a great Oration experience. He has been a long time in command of the British Army in the Land of the Cherry Blossom. This will be intensely interesting to church-goers as well as to Salvationists. Staff-Captain and Mrs. Brock are on a visit to this country from Cayman. They will also be with us on Sunday night, when, with the help of Colonel and Mrs. Mapp (so we hope) they will give a most dramatic and realistic position as to how the Gospel is preached to the heathen, in the villages of palm land. We shall, however, say more about this next week.

COLONEL AND MRS. CHANDLER AT WEST TORONTO.

Lieut. Colonel and Mrs. Chandler conducted the meetings at West Toronto last Sunday. In the morning meeting four persons publicly sought the blessing of sanctification. The Colonel's dress was very creditable and was backed home by God's spirit to many hearts. In the afternoon, a splendid meeting was conducted by the Colonel in the park. NEW CITADEL OPENED.

By Brig. Morahan at Seal Cove. On August 21, Brigadier Morahan and the writer left the City of St. John's for Seal Cove, N.B., to open a new Citadel built by Captain Keeping. We arrived at Seal Cove about 3 p.m. Here we were given to understand that the SS. Glencoe would not be leaving before the next morning, and that we would have to wait for some considerable time. At 4 a.m. we proceeded on our journey, the sea being very calm. We arrived at Seal Cove about noon on August 22nd. Before we reached the Harbour we had cause to believe that there was a grand reception awaiting us, judging by the noise of musketry. Our suppositions were correct. On August 23rd the Brigadier opened the new barracks and dedicated it to God, and on Sunday we had the joy of seeing seven souls kneeling at the mercy-seat. Great credit is due to the Captain for the noble way in which he was engaged in order to complete the new building.—Lieut. J. Sweetapple.

BRIGADIER AND MRS. TAYLOR VISIT PETERBORO FOR WEEK-END.

On Saturday and Sunday we were favoured by a visit from Brigadier and Mrs. Taylor. On Saturday night Brigadier Taylor delivered a very interesting and instructive address on the "Training College." On Sunday afternoon the Brigadier addressed the young people, and the numbers unable to gain admission. The Chief Secretary's message was directed by Mrs. Gaskin, and was a most faithful in a sure place in the hearts of that great audience. A well-sustained prayer meeting followed, during which several sought and obtained pardon. Officers' Council.

THE CHIEF SECRETARY'S FINAL MESSAGE.

The Chief Secretary met the Officers in Council on Monday afternoon. Some timely advice was given. God came very near to us, and we realized our hands were strengthened in Him. The Chief Secretary's final message took place on Monday night. The building was packed. The splendid No. 1 Band, numbering about 40 was there to a man. Mrs. Adjutant Kendall, on behalf of the city Soldiers, spoke words of farewell to the departing Chief Secretary, regretting the inability of Mrs. Mapp being present. Brigadier Green presented the farewell address to the Colonel expressing appreciation of his work and work by the Pacific Coast comrades.

The Chief Secretary read a message from the Commissioner, and then presented the Chief Secretary to the audience. The whole audience spontaneously rose in their feet and sang "God Be With You Till We Meet Again." The Colonel delivered his message most faithfully. A marvelous prayer meeting followed and numbers of broken-hearted penitents gave themselves to God. In addition to Brigadier Green and Major and Mrs. Phillips, the Chief Secretary was assisted by Major Jones, Staff-Captain and Mrs. White, Adjutant and Mrs. Kendall, and others. Calpan, an incident took place on the platform which interested a number of onlookers. A man well up in years, slightly intoxicated, standing in the middle of the platform, was urged upon to give this

He congratulated the Army on its success in Vancouver and on the way the staff aided the city government in its work.

"General Booths Work."

The address of the afternoon was made by Colonel Mapp, who used as his subject, "The World-wide Operations of The Salvation Army." In a most eloquent speech he told of the enormous organization which is now operating and of the tremendous success which has been the result of the efforts of the late General Booth. He dwelt at considerable length on the work of General Booth. He brought the tears to many eyes when he spoke of the almost insurmountable difficulties which the old leader triumphantly overcame.

"A vote of thanks was proposed by Professor Odium and seconded by Ald. White. It was passed unanimously by the audience and answered cordially by Colonel Mapp."

The large Avenue Theatre was packed to the doors for the evening, and numbers unable to gain admission. The Chief Secretary's message was directed by Mrs. Gaskin, and was a most faithful in a sure place in the hearts of that great audience. THE GREAT MASSY HALL MEETINGS.

(Continued from page 8.)

The great feature of this meeting, will, of course, be the presence of Colonel and Mrs. Mapp, who for four years have held the post of Chief Secretary, Colonel Jacobs, and to hear him speak once again. Brigadier Burdell also spoke, as did the Field Secretary, Mr. Gaskin. We predict that a vast number will be present to hear their last words of exhortation to us. God bless them both! Watch this column for further particulars of the great welcome and Sunday meetings in the Massy Hall.

Some of the visiting comrades no doubt will be glad to hear. If there are Army comrades who have not friends resident in Toronto and desire a billet, they should communicate at once with Lieut. Colonel Turner.

Should any of our Toronto friends be desirous of entertaining a delegate to the Congress, will all such also kindly communicate this desire to Lieut. Colonel Turner at Territorial Headquarters.

All local Officers who will be invited to the Thursday session of the Officers' Council should be in their places at 10 a.m. Do not forget the Council will be held in the Temple on Thursday, October 17th, at 8 p.m.

The same applies to the Soldiers who intend to be present at the Soldiers' Meeting, to be held in the Band Street Congregational Church on Saturday, October 20th. The doors will be open at 7.15 p.m.
